

## **ENGLISH 11**

Grade Level: 11 (College Prep)

Credit: 0.5 or 1.0

Prerequisite: English 9, 10

Students will refine and enhance their foundation in literature and the writing process through academic mastery. Throughout the course, the ability to think, listen, and write logically will be the primary focus as well as school-to-career experiences, including college entrance exam preparation. This course will emphasize proper grammar and mechanics while developing the writing process. Students will be asked to implement research and writing skills throughout the curriculum as well as adapt and evaluate literature.
