

INTRO TO DIGITAL PHOTOGRAPHY

Grade Level: 9, 10, 11, 12

Credit: 1.0

Prerequisite: None

This course is designed to help you develop your skills as an artistic digital photographer. Although the lessons describe the functions of a digital camera, if you do not own a digital camera, you can use your smart phone to complete the assignments. Each assignment will ask you to shoot a series of digital photos that demonstrate the concepts of the lesson.
