

WORK ETHICS with WORK EXPERIENCE

Grade level 9, 10, 11, 12

Credit: 0.5 or 1.0 credit

Prerequisite: Must be working or have worked within the last 12 months

Students will learn about accountability and responsibility in the workplace. Some topics to be covered are proper dress, attitude, honesty, and respect. They will also learn about work safety practices, conflict management, working in teams, and effective communication skills. Students will also be able to submit work experience hours for this course. Students are required to journal about how the topics covered in the lessons relate to their experiences on the job.
